

“The singer-songwriter’s
“Welcome To The Block Party”
is a refreshing and ambitious
pop-country debut filled with
good-humored feminist
anthems and pointed songs
about an ex.”

- *The New York Times*

“With her layered necklaces,
colorful scrunchies, and
plainspoken, relatable lyrics,
Block is the best friend country
music fans wish they had.
She’s vulnerable, funny and
fierce with a story to tell – and
people are finally listening.”

- *People*

“With her debut album –
Welcome To The Block
Party, Priscilla Block has
created a veritable
hillbilly heaven”
