"An indefatigable showcase of mastery of stage, voice and genre, her 30-song-in-90-minute set proved why she continues to be the standard bearer for men, women -- everyone -- who ultimately realizes sustainable revenue and timeless acclaim in country music is earned nightly in front of appreciative audiences." - Marcus K. Dowling, The Tennessean

REBA McENTIRE'S THE HAMMER

Lifetime's Highest Rated Movie Premiere In Two Years

ABC'S BIG SKY

Starred as Sunny Barnes in 13-episode third season

NOT THAT FANCY

Lifestyle book releasing with Harper Collins in fall 2023

"It's as if McEntire has done that inexplicable transition from country recording artist to pop culture touchstone; she now occupies the same cultural space as Dolly and Elvis and Cher. The single-named wonders who have transcended their own libraries."

Justin Kirkland, Esquire
